REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicants' amended claims now state that the percentages by weight of (M) and (B) are based on the total weight of each composition. Previously, the recited amounts had been interpreted as being based on the sum total of components (M) and (B). The amendments, therefore, obviate the rejections over U.S. 6,576,309.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ana L. Woodward whose telephone number is (571) 272-1082. The examiner can normally be reached on Monday-Friday (8:30-5:00).
